I am delighted to enclose details of a major scholarship available to a Greek student at LAMDA (London Academy of Music & Dramatic Art), supported by the Stavros Niarchos Foundation.

I would be grateful if you could please display the enclosed flyers to promote the scholarship to any members of the Ionian University Theatre Club who may be interested.

The Stavros Niarchos Foundation Scholarship will enable a student from Greece to study on any of LAMDA's full time degree courses: BA (Hons) Professional Acting; Foundation Degree Professional Acting; Foundation Degree Production & Technical Arts: Stage & Screen; MA Directing or MA Classical Acting for the Professional Theatre. The scholarship will provide full financial support for the scholar's tuition and a significant contribution to living costs in 2017/18.

LAMDA is a world-leading drama school, offering exceptional vocational training to actors, directors, technicians and stage managers from around the world. Read more about LAMDA on our website, www.lamda.org.uk
